Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

**Estimated energy costs of dwelling for 3 years:**

Current costs	£ 1,695
Potential costs	£ 846
Over 3 years you could save	£ 846

**Estimated energy costs of this home**

Category	Current costs	Potential costs
Lighting	£ 106 over 3 years	£ 106 over 3 years
Heating	£ 884 over 3 years	£ 369 over 3 years
Hot Water	£ 723 over 3 years	£ 369 over 3 years
<b>Total</b>	<b>£ 1,695</b>	<b>£ 846</b>

These figures show how much the average household would spend in this property for heating, lighting and hot water. The maximum energy use for heating appliances like TVs, computers and cookers, and any electricity generated by re-generation.

**Energy Efficiency Rating**

The graph shows the current energy efficiency of your home. The higher the rating the lower your fuel bills are likely to be. The potential rating shows the effect of undertaking the recommended actions in group 3. The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

**Top actions you can take to save money and make your home more efficient**

Recommended measures	Indicative cost	Typical savings over 3 years	Available with Green Deal
1 Floor insulation (solid floor)	£4,000 - £8,000	£ 164	Yes
2 High heat retention storage heaters and dual immersion outside	£800 - £1,200	£ 702	Yes

To find out more about the recommended measures and other actions you could take to save money visit [www.direct.gov.uk/energy](http://www.direct.gov.uk/energy) or call 0800 123 1234 (textphone number only). The Green Deal may allow you to finance your home measures and choose to pay at a reduced cost.

**Important Notice**  
 In accordance with the Property Misdescriptions Act (1991) we have prepared these sales particulars as a general guide to give a broad description of the property. They are not intended to constitute part of an offer or contract. We have not carried out a structural survey and the services, appliances and specific fittings have not been tested. All photographs, measurements, floor plans and distances referred to are given as a guide only and should not be relied upon for the purchase of carpets or any other fixtures or fittings. Lease details, service charges and ground rent (where applicable) are given as a guide only and should be checked and confirmed by your solicitor prior to exchange of contracts.
