

Becmead Avenue, Streatham Hill SW16

Borough: Lambeth

£1,450 pcm

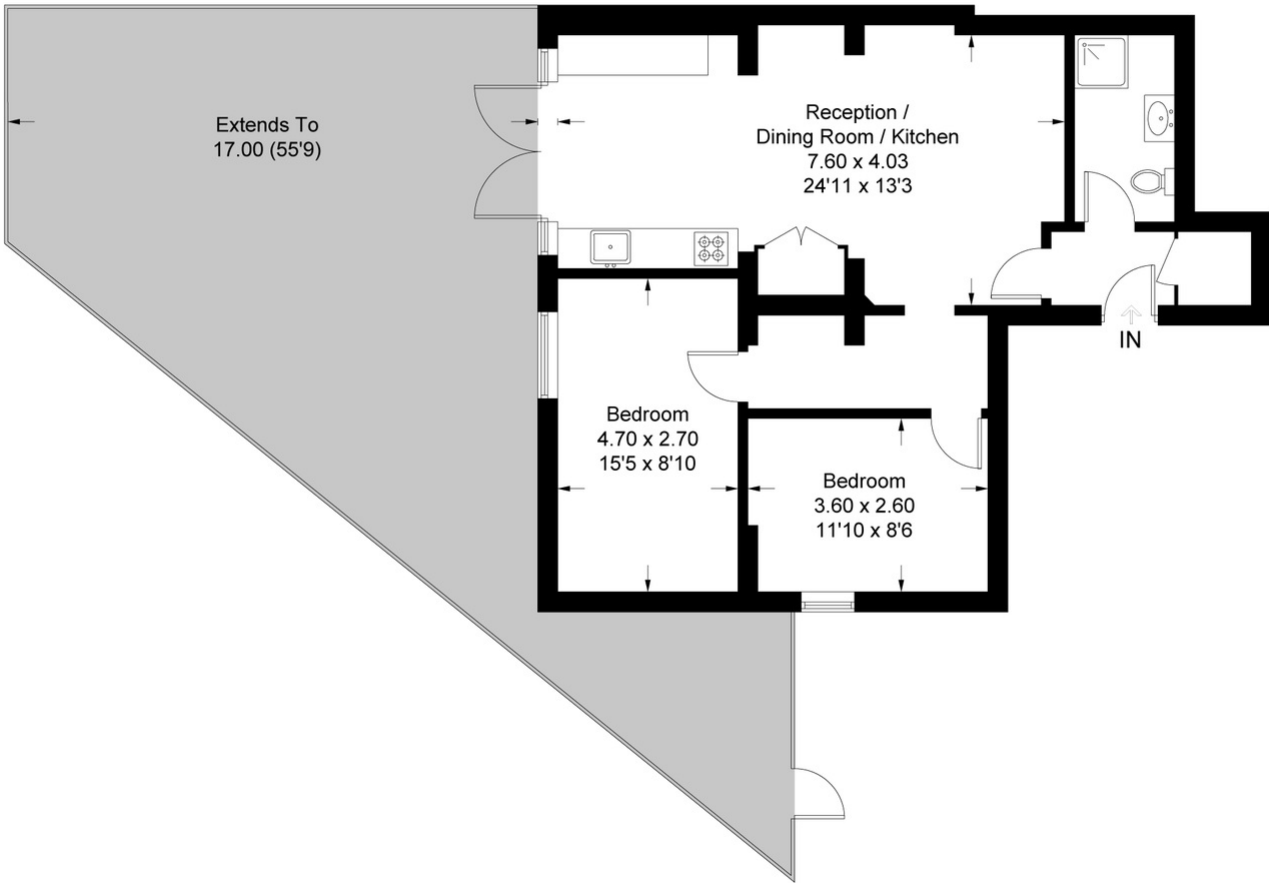

- Two bedroom ground floor flat
- South facing garden

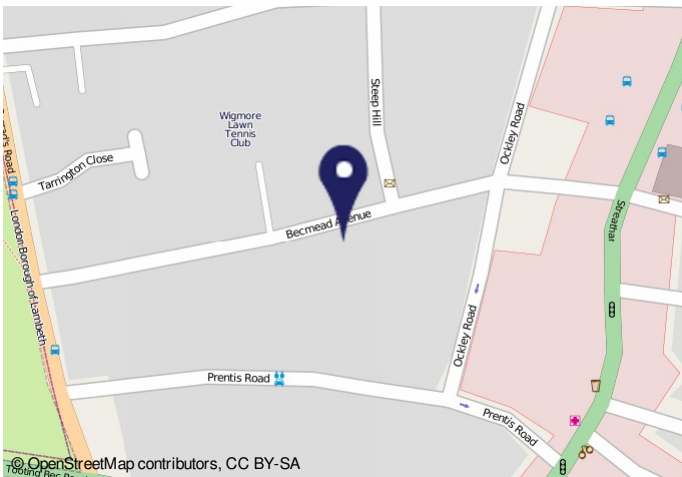

A two bedroom ground floor conversion flat with a south facing garden. The property benefits from an open plan kitchen / reception area which goes straight on to the private garden. Becmead Avenue is conveniently located just off from Streatham High Road at one end and the open space of Tooting Bec Common at the other with tennis courts and Lido. The nearest station is Streatham Hill with direct access to Victoria and London Bridge. There are numerous bars, restaurants and shops along the high street to chose from.

Becmead Avenue

Approximate Gross Internal Area
67.8 sq m / 730 sq ft

This plan is for layout guidance only. Not drawn to scale unless stated. Windows and door openings are approximate. Whilst every care is taken in the preparation of this plan, please check all dimensions, shapes and compass bearings before making any decisions reliant upon them. (ID480214)

Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

Estimated energy costs of dwelling for 3 years: **£ 2,040**
Over 3 years you could save **£ 684**

Estimated energy costs of this home

	Current costs	Potential costs	Potential future savings
Lighting	£ 168 over 3 years	£ 168 over 3 years	
Heating	£ 1,587 over 3 years	£ 963 over 3 years	You could save £ 684 over 3 years
Hot Water	£ 285 over 3 years	£ 285 over 3 years	
Total	£ 2,040	£ 1,356	

These figures show how much the average household would spend in this property for heating, lighting and hot water and is not based on energy used by individual households. This includes energy use for heating appliances like TVs, computers and sockets, and electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

The EPC rating shows how to save energy and money. The green 'leaf' shows how you can save energy and money by making your home warmer and cheaper to run.

Top actions you can take to save money and make your home more efficient

Recommended measure	Indicative cost	Typical savings over 3 years
1. Internal or external wall insulation	£4,000 - £14,000	£ 520
2. Floor insulation (suspended floor)	£800 - £1,200	£ 150

To find out more about the recommended measures and other actions you could take to save money, visit www.gov.uk/energy-grants-calculator or call 0800 553 304 (national toll-free). The Green Deal may enable you to make your home warmer and cheaper to run.
