

The High, Streatham SW16

Tenure: Leasehold Borough: Lambeth

£425,000

- Double reception room
- Recently refurbished

A wonderfully charming 2-3 bedroom apartment on the third floor of this excellently managed Art-Deco block on Streatham High Road. The property has been recently refurbished in a refreshingly bright and colourful style, whilst maintaining many of the flats period features, including lovely stripped wooden floors and fireplaces. It is extremely spacious with a particularly large double reception/dining room (that could form the third bedroom) and a huge master bedroom. The High is perfectly located with easy access to the excellent rail links of Streatham Hill and the numerous bus routes into the City and surrounding areas. It boasts from being on the doorstep of Streatham Hill's excellent array of shops bars and restaurants. No onward chain.

Use this document to:
 • Compare current ratings of properties to see which properties are more energy efficient
 • Find out how you can save energy and money by making improvement measures

Estimated energy costs of dwelling for 3 years: £ 2,280
 Over 3 years you could save £ 1,026

Estimated energy costs of this home	Current costs	Potential costs	Potential future savings
Lighting	£ 163 over 3 years	£ 166 over 3 years	
Heating	£ 1,788 over 3 years	£ 792 over 3 years	
Hot Water	£ 329 over 3 years	£ 274 over 3 years	
Total	£ 2,280	£ 1,232	You could save £ 1,026 over 3 years

These figures show how much the average household would spend in this property for heating, lighting and hot water and it is not based on energy used by individual households. This includes energy use for heating appliances like TVs, computers and cookers, and electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home. The higher the rating the lower your fuel bills are likely to be. The potential rating shows the effect of undertaking the recommendations on page 3. The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60). The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

Top actions you can take to save money and make your home more efficient

Recommended measures	Indicative cost	Typical savings over 3 years	Available with Green Deal
1 Internal or external wall insulation	£4,000 - £14,000	£ 720
