Rules on letting this property

Properties can be rented if they have an energy rating from A to E.

If the property is rated F or G, it cannot be let, unless an exemption has been registered. You can read [additional information on the exemptions and exemptions rules](#). [View the full details of the rules](#).

Energy efficiency rating for this property

The property's current energy rating is D. It has the potential to be C.

[See how to improve this property's energy efficiency](#)

Score	Energy class	Current	Potential
92-100	A		
81-91	B		
69-80	C		
55-68	D		
49-54	E		
45-48	F		
1-44	G		

The graph shows the property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:
the average energy rating is D
the average energy score is 60

Important Notice

In accordance with the Property Misdescriptions Act (1991) we have prepared these sales particulars as a general guide to give a broad description of the property. They are not intended to constitute part of an offer or contract. We have not carried out a structural survey and the services, appliances and specific fittings have not been tested. All photographs, measurements, floor plans and distances referred to are given as a guide only and should not be relied upon for the purchase of carpets or any other fixtures or fittings. Lease details, service charges and ground rent (where applicable) are given as a guide only and should be checked and confirmed by your solicitor prior to exchange of contracts.
